## Slash Ordered by San Fernando

SAN FERNANDO, Sept. 26.—Until things pick up San Fernando is to cut municipal expenses right and left. It was decided here today by the City Council. Failure to receive tax moneys except in a small degree is blamed for the town's present state of finances. Until conditions improve, all street work will be halted, it is stated. Water department employees on a minimum work schedule will act as street cleaners and special guards at school crossings will be abolished.
