

"Seventh Heaven" Will Be Portrayed on Radio Today by Two Screen Stars

Lederer and Pickford to Share Honor

John Charles Thomas on KFI Program; Einstein Billed

Diane and Chico, lovable characters of "Seventh Heaven," one of the outstanding box-office hits of all time, were portrayed on the stage by Helen Mencken and Jason Robards. Then Janet Gaynor and Charles Farrell rode to screen fame in the roles.

John Charles Thomas shares the spotlight with the McNeill Club male chorus of Sacramento, an outgrowth of the Capitol City Philharmonic Society, on his current broadcast over KFI at 6:30 p.m.

NUMBER REHEARSED
Prior to his recent illness, the American baritone was to have given a concert under the auspices of the club. He rehearsed Romberg's "Auf Wiedersehen" with the group at noon on the day of the concert.

Several hours later he was rushed to the hospital and all plans for the event were cancelled. At his invitation members of the club are investigating the number as the concluding feature of his radio program.

EINSTEIN ON AIR
Prof. Albert Einstein, distinguished scientist, is to make one of rare radio appearances over C.B.S. and KFI at 12:45 p.m. when he addresses a meeting held in his honor by the women's division of the American Jewish Congress at the Hotel Commodore, New York City.

TUNING IN ALONG THE AIR LANES
Radiography: Candid Kay Thompson is knocking them over on the networks now . . .

former KFI songstress heads the girls' choir on Warring's Pennsylvania presentations over C.B.S. . . . Born November 8, 1909, in St. Louis, Mo., and started her musical career as a pianist at the age of 16 as soloist with KWK, St. Louis . . .

Kay Thompson used her professional career despite parental opposition. Came to Los Angeles to appear over KFI and C.B.S. with Bing Crosby . . .

Says she is most proud of the fact that Bing taps his foot when she sings . . . Appeared on headline features of the station including California Melodies on which she performed novelty numbers with the "Three Rhythmic Kings" (now of KFI).

Left KFI to sing with Tom Coakley's band in San Francisco . . . The Waring engagement followed . . . Is a composer and arranger of no mean ability . . . Prefers to play classical music on the piano . . .

Stands 5ft. 5 1/2 in., weighs 121 pounds. One of the smartest dressers in radio . . . Prefers to poke fun at herself . . . Still suffers from "mike fright."

Dis and Data: Ray Noble and his band are slated for two radio appearances today. The English maestro is to be on the Radio City Matinee over KFI at 11:30 a.m. and offers his commercial program over the same station at 7:30 p.m.

Rachel Carley, French songstress of "Polles Bergere" fame, is billed as guest artist on Everett Marshall's Broadway Melodies over C.B.S. and KFI at 5:30 p.m.

A British friend writes from London that she purchased a television receiving set for \$50 (figure it out for yourself) which records images from eight to twelve inches in diameter . . . Bob Keith, one of the Rhythm Rascals with Jimmie Grier's Orchestra, formerly was president of the student body at U.C.L.A.

Thank heaven we don't have to listen to any more of the sappy dialogue on Jan Garber's programs. The radio romancer they tried to "smoke up" between Lee Bennett and Dorothy Page was a pretty thin attempt at creating ether entertainment. Bennett is married to a young society belle who could win a beauty contest over any radio songstress . . . Gilmore Brown, guiding star of the Pasadena Community Players, is to be interviewed on KFWB's "Hi-Noon Hi Lites" at noon . . .

Bobby Dolan has expressed the belief that the sponsors of the Burns and Allen broadcasts won't take up his option. It seems a bit strange because Bobby has done a grand job as musical conductor of the show . . . Dick Jurgens and his Palomar Orchestra begin broadcasting over KFI and the Don Lee network at 10:30 p.m. today. His distinctive rhythms will be heard daily except Sunday, on the network at 11 p.m. on other days . . .

The take-off on Fred Allen's amateur acts on the Blue Monday Jamboree was one of the best comedy offerings the show has produced in months. Murray and Harris deserve the palm for that one . . . Tom Breneman is keeping up the high standard that Ed Fitzgerald set for "Feminine Fancies" and why shouldn't he? Tom knows more about show moguls than most of the radio moguls . . .

Dinty Doyle, northern radio news-hawk, is seeing the Hollywood sights with Tom Coakley, clever band maestro and attorney. Coakley is convinced that his wisest move will be to sign a contract with San Francisco's Club Victor and let the bar business lie dormant until he can save enough money to be "choosy" about his clients. Guy Lombardo is a diplomat of the first water. When you are introduced to him for the fourteenth time he

SCHALLERT WILL INTERVIEW ACTOR

Douglass Montgomery, stage and screen actor, currently playing in "Merrily We Roll Along," is billed for a radio "conversation" with Edwin Schallert over KMTB at 7 p.m. today.

"I'm pleased to see you again" —not having the faintest idea who you are!"

Today's Los Angeles Breakfast Club line-up includes Leo Carrillo, screen actor; Princess Der Ling, lady-in-waiting to the late dowager Empress of China; Olga Dane, contralto, and Sheriff Biscailuz.

We ballyhooed KMTB's dramatic series "In the Crimelight" Monday, and much to our chagrin, the station sold the time to a sponsor on the day it was supposed to make its debut. It's slated to go on the air at 9:30 p.m. today. Let's hope there are no hitches this time.
