TOGETHER IN CHRIST!

An Easter Message by Dean Harry Beal of St. Paul's Cathedral

IT IS upon this traveling earth with its Calvaries, its crosses and its faltering disciples that Christ's
Resurrection takes place. He comes back in familiar ways—in a garden, along a dusty road, in the
breaking of bread, to men in their toil. Immortality is not getting souls into Paradise. Immortality is
in the sharing with Christ now in His kind of life. The real witness to Easter is the Christian fellowship,
Apart from the Church, apart from the Body of Christ in this world, there is no true learning of the eter-
nal way. Both practically and spiritually, both now and hereafter, we must be found together in Christ!
