

# YOUR Radio TODAY

At midnight last night most of the radio broadcasting stations operating in this area changed the frequencies on which they broadcast, so that listeners will find it necessary to turn to new numbers on their dials in order to bring in most of the local programs. To find the place on your dial for any station, refer to the key chart above, which conforms to the new assignment of frequencies under which stations now operate.

Time	Station	Program
4:45 A.M.	KNX	Wake Up. Smile. 1 1/4 hrs.
