Why I Came Back To Christianity

"Is there a satisfying religion for the modern educated man?" Lin Yutang, Chinese philosopher who once wrote, "Why I am a Pagan," recently startled millions of followers by returning to Christianity. Read in October Reader's Digest why he has "come home again"—back to the only religion which establishes a personal relationship with God.

FAMILY TENNIS AT GROSSINGER

Irving Kram and his daughter, Gloria, 16, of Scarsdale, N. Y., won this week's father-daughter tennis tournament at Grossinger's... Eli Epstein, author of "Tennis Cues," will conduct a free tennis-instruction clinic here tomorrow.

COLOR MAKES SENSE

NO WIRES!

Here's why RCA Victor Color TV makes sense!

- 1 It's 2 sets in 1—receives both color and black & white on the same big 21" screen.
- 2 You can tune color by Wireless Remote Control anywhere in the room. A touch of the button changes volume, adjusts picture, changes stations, turns the set off. (Only RCA Remote turns off both picture and set.)
- 3 Mural 21" color TV can be built into your living room or den wall.
- 4 Color TV has achieved a standard of performance, dependability and simplicity of operation that all parts, including the picture tube, are warranted for 1 full year at no charge.
- 5 Virtually all the big shows are in color: World Series, Perry Como, Dinah Shore, Art Carney, Gene Kelly, Jerry Lewis, Fred Astaire, NCAA Football, Army-Navy Game, etc. The Moon & Sixpence starring Sir Laurence Olivier and Helen Hayes plus the NBC Opera and 150 Spectaculars are scheduled.
- 6 Your authorized RCA Victor Dealer will give you up to \$200 for your old TV when you trade for a new color set. Terms can be arranged for as little as \$3 per week.
- 7 You can try a Color TV Weekend with our compliments. We'll arrange for delivery, setup and pickup at no cost or obligation to you.
- 8 You can see the difference Color makes in your home. Write Bruno-New York City, Inc., Color TV Dept., 460 W. 34th St., New York City 1 or call Longacre 4-2424 Monday through Friday.

*overall diameter 260 sq. in.

TELEVISION

FRIDAY, SEPTEMBER 25, 1959

9:50 A. M.—Educational Television: New York State Education Department series. Today's programs include: art course, languages, science and geometry. Complete listing of subjects and times below—(11).
