STOUGHTON-Members of the Lions and Rotary club committees attempting to secure a community

Christmas tree for Stoughton have been unsuccessful, and on Friday issued an appeal for a Christmas tree. Ole Hoel of the Lions club stated Friday morning that so far no trees in the Stoughton area were available, and that if anyone should have a large tree they wish to sell, they should contact him at once. In former years the tree has been placed at the center of the intersection of Main and Division sts., but the committee has decided, if a tree is available, to place the tree on South Division st., between the K and H store and the Hotel Ke gonsa. The change is being made

because of traffic hazards created by the tree being in the middle of the street.
