Here's How! ALBUQUERQUE, N. M. — (U.S) Albert S. Falk says he has visited every state in the Union except Nevada and Arizona, spreading the gospel of his plan for a pension of \$30 to \$50 a menth for all persons 21 years old and over.

Falk explained that his original plan favored the pension for unemployed persons only, but a survey of Tennessee and the south resulted in the conclusion that working people also need the money, due to the low wages.

He estimated the plan would cost \$25,000,000,000, and perhaps more. annually. The money would be raised by the Federal government through a 2 per cent transaction tax and additional income taxes.

"My plan would put an end to breadlines," Falk said. He explained that his knowledge

of breadlines was first hand, since where their lines and the electric he had been private secretary to the late James Eads How, "millionaire hobo," for more than a year. the area already have metallized The "pensions-for-all" advocate
