HELPFUL

It is rare, indeed, when radio listeners give a program the enthusiastic praise they are bestowing on "Dan Harding's Wife." And when they describe such delightful entertainment as "helpful" it is high time to see for yourself what the cheering is all about. You'll like "Dan Harding's Wife" even more than your favorite book or movie, because you hear it five times a week. If you have growing children, especially those of teen age, chances are you, too, will find the story of Rhoda and her twin truly helpful. This outstanding radio program will delight you, amuse you, and touch you
