Sybil Chism, charming young organist who provides the musical background for the "Lum and Abner" sketches, is equally fond of outdoor sports, landscape painting and music. Playing in film houses while still in her early teens, she made her radio debut in California five years ago. Her music has been in demand on the airwaves ever since. Blonde and vivacious, she plays organ accompaniments for "Lum and Abner" over the Columbia network every Monday, Wednesday and Friday.
