Herbert Hoover Speaks; Mr. Mergenthwirker's Lobblies Start Series

Being the wife of a professional funny man is a "regular baffle of wits" to Jane Ace, who makes those dumb remarks on NBC's Easy Aces programs. Her malapropisms aid in the success of her show, she believes, because "radio listeners hearing me flounder with Kings English are inwardly pleased with themselves to think they know the word that Jane thinks she does."

Former Pres. Herbert Hoover

The most successful pitchers are fellows like Carl Hubbell, who became an artist with the screwball, or young Bob Feller, who concentrates on blinding speedas did Walter Johnson and Lefty Grove-or pitchers who specialize in the floating knuckle balllike Freddy Fitzsimmons did at his peak.

That was the situation which confronted Forest Pressnell, a man gifted with ordinary speed and ordinary curve artistry as he struggled to make the majorsthe big time—for nine long years.

Pressnell, a last, has reached the top. He is a hig-time flinger—a rotating starter on the Brooklyn Dodgers. Manager Burleigh Grimes has great confidence in Pressnell, who at 30 is a Major league rookie destined to make good. Pressnell has something in the pinches. He has the fingernail ball. He is king of the fingernail throwers.

Grimes, who several years ago was a spit-ball expert, says, "I cannot believe the stories I hear about Pressnell, I cannot believe that there is any successful pitcher who does not know where his special delivery will break. I never saw a successful pitcher was using the old-fashioned emery ball."

Pressnell, a brown-haired chap
who stands about 5 feet 11 inches
and weighs about 175 pounds, takes
issue with his manager, Mr.
Grimes. Pressnell says, "when I

perfect control over the strike

know in what direction it will
break, I don't know if it will

either, if I don't know." Pressnell admits that he is hangwith his fingernails. For nine members of the Blackhawk Country club will be held at the club big time. BENTON, Wis. - Benton high school's track team captured the ball and the spit-ball. The run off before a heavy downpour crowd got a thrill out of the long of rain forced cancellation of the last five events. South Wayne finished second with 23 points, Shullsburg was third with 16, and New Diggings and Hazel Green tied for fourth with 15 points each. Capt. Jack Smythe led the Zephyrs, establishing two conference records. He ran the 100 yard dash in 10.1 seconds to break his own mark of 10.7 which he set in 1937. His toss of 41 feet in the shot put broke the record of 37 feet eight inches set by Jack Gerlach, present Wisconsin shortstop,

in 1934. In all five new records were set. Nolte of Hazel Green lowered the 4400 yard dash mark to 56.2 seconds; Fritz of Benton ran the mile in 5:14.6 minutes; and Burrie of South Wayne lowered the halfmile mark to 2:20 minutes.

The five events canceled were the high jump, 220 yard dash, discus throw, low hurdles, and re-lay. There is a slim possibility that the events wil lbe run off, but as Benton is considered strong in those events it is conceded the championship for 1938. The re-
