The semi-windup brings to-gether Duke Ruppenthal, Tiger-ton, and George Hackenschmidt, Milwaukee, claimant to the state middleweight title. The windup features a return match between Johnny, Princepi, rough young New Yorker, and Alex Kattner, Madison colored heavyweight, who is known in the wrestling craft as the "Black Panther." Princepi and Kaffner met here

The windup match probably will be one of the roughest of the indoor season; Kaffner asked for a free-for-all with Princepi without the restraining influence of a referee but Madison promoters turned thumbs down on this proposition. It will be a two out of three fall match with a 90 minute. time limit. The semi-windup between Rup-

Stars May 'Strike' Pitchers Is Plea

## of Jean Dubuc

NEW YORK-(U.P.)-Stop handicapping the pitcher is the plea of Jean Dubuc, who perfected the change of pace and who was one of the outstanding moundsmen of his time while with Cincinnati and Detroit more than 20 years ago. "The men who run baseball should allow the pitcher more leeway," Dubuc said today in dis-cussing the modern game. "They keep taking something away from the pitchers. Even the new National league ball seems to be livelier than the old one. It's get-ting to be dangerous on the mound the way line drives whiz through the box nowadays. Have you noticed all the pitchers who are getting hit before they can throw

their gloves up to protect themselves. "If something isn't done to aid

the pitchers pretty soon there won't be enough pitchers to meet the demand. Look at the clubs nowadays. There are only three or four with outstanding staffs. There are few clubs with more than two standout pitchers. When I was pitching every club had four or five men that were tough to beat. Give them a couple of runs and they could hold their own against the strongest club."

Makes Feller Better

Dubuc, who now sells ink for Cleveland firm, is really the man who perfected the change of pace. A graduate of Notre Dame in 1908, he stepped from the campus to the Cincinnati club, then managed by Clark Griffith. "The Old Fox" showed him the change of pace and he developed it to its highest efficiency in the days when the fast ball and the curve were the principal pitches of nearly all

pitching much better this year. Well, his big reason for improvement is that he's mixing his speed with a change of pace. No pitcher can get by all the time on speed, it's mixed up with a change of any chance of skiing on the 13,000- his late start. pace.

Dubuc, who continues to follow baseball closely, says he was born 25 years too soon. In 1912 he won 12 straight games, and several seasons with Detroit from 1910 through 1917 he won in the neighborhood of 20 games. His top salary was \$9,000 and he didn't get that until the end of his career. One season he won 21 games and received \$4,000.

Grove Tops

"Nowadays a pitcher who can time, all individuals must apply win 20 games can almost draw at the annual meeting of the asso-\$1,000 a game," he reflected. In rating present day pitchers Dubuc thinks Lefty Grove stands days. near the top as one of the best pitchers of all time. He gives Grove a place with pitchers like Ed Walsh, Walter Johnson, Chief B. Harris, C. Clifford, O. Severson, Bender, Eddie Plank, Addie Joss P. Mayer, F. Collester, O. Wic, J Esser, O. Vaars, P. Halls.

and other greats of the mound. Discussing Dizzy Dean, Dubuc expressed the belief that Dizzy's trouble probably was caused by his toe injury in last year's allstar game.

"The injured toe caused him to Larry Hackett's Hillsboro team change his stride in pitching," is favored. Dubuc reasoned, "and probably caused him to strain a muscle he didn't ordinarily use when he wasn't favoring his toe."
