# Philadelphia, U.W. Symphony Orchestras to Broadcast Today

To listeners Dale, Tony, Patricia, and Lawrence of "Manhattan Mother,, are 1,000 miles apart. Actually in the studio, Louise Fitch, Dan Sutter Kaye Brinker, and Ken Griffin are separated only by a sound deadening wall. Sound effects, which cut down the quality of the voices, give the perspective of the long distance call. Real telephone instruments make the actor's phone personality natural, although the microphones pick up the voices. Concerts by the Philadelphia
