If the North-South partnership did

not have at its command a conven-tion that locates all four of the aces,

would be unbiddable. Note the utter

logic of the bidding when South uses

the 45 no trump convention. The opening spade bld is obvious. North

might respond with two diamonds in-

stead of three spades, but the latter

bid is better on two important counts:

First, a double raise in spades virtually shuts out East, and this is some-

thing that should appeal to North,

since he has very little desense

laydown grand slam contract

Both sides vulnerable.
