NEW YORK, Jan. 14-(AP)-Leading stocks put on an early rallying show in today's market, gains running to a point or more

in most departments, Prominent on the rise were U. S. Steel, Bethlehem, General Motors, Chrysler, Anaconda, Consolidated Edison, North American,

Southern Pacific, Great Northern. Pennsylvania and U. S. Rubber. Market analysts saw a cheerful indicator in the announcement the ( index of new machine tool orders, [ ] compiled by the National Machine Builders'-assn, advanced sharply in December to the highest mark for 1938.

On the dark side of the picture were the figures of the federal reserve board disclosing department store sales in the first week of 1939 fell 15 per cent under the aggregate in the corresponding week a year ago. However there was one less shopping day last 1 week than in the 1938 period.

## Dietrich Turns Down Post At

COLUMBUS, O., Jan. 14—(UP) -State Education Director E. N. Dietrich revealed today that he had been asked by Martin L. Davey, who retired as governor this week, to accept the presidency of Bowling Green State university. Dietrich said he was called to the governor's office last Satur-

"Of course, the governor could not appoint the president of any state college but he said that he would obtain the appointment for me," Dietrich said. "I told him that under such circumstances I could not accept.'

The education director also said that he had refused to make certain appointments requested by the governor prior to the effort to obtain his resignation from the education directorship and the promise of the college presidency.
