Dick Metz Beats Horton Smith in Golf Title Playoff

SAN FRANCISCO-(U.P.)-The golfing brigade headed south today trailing Dick Metz, young Chicago professional who became the leading money winner of 1939 by annexing the San Francisco match championship.

The handsome, dark-haired Metz played the 36-hole final in 72-69-141, one under par figures, to score a one up victory Sunday over Horton Smith, tall Joplin, Mo., stylist. It was worth \$1,000, and Metz banked it with the \$1,-200 he won the previous week in the Oakland Open.

Last stop on the California winter circuit will be at Del Mar for Bing Crosby's \$3,000 36-hole proamateur show. Then the money players head east again, stopping at Phoenix, San Antonio, and New

Metz staged a great comback to win the San Francisco title. Smith had taken the lead on the first hole and held it to the 25th. Birdies on the 25th and 26th sent Mentz two up and he was never headed although twice on final nine Smith drew even.

Mariucci Found a Pair of Skates, Became a Star

MINNEAPOLIS, Minn.-This is the story of a pair of magic skates that were retrieved from an ash can by a hockey-minded little kid with big ambitions. It is also, in way, the story of how he is fulfilling those ambitions.

The skates were sticking out from under the cover of the ash can one day some 11 or 12 years ago up in Eveleth, Minn., "hotbed of American hockey." The kid with the big ambitions who happened along to retrieve them was Johnny Mariucci, now a stellar defenseman on the University sextet and in the opinion of his United States.

the boy could call his own Ву hook and by crook he fixed them up so he could use them and straightaway he became the sensation of a hockey-minded community. And why not-they were the skates of the great Vic Des Jardienes, then playing with Eve-leth in the Central league and later a star with St. Paul and the Chicago Blackhawks.

From that day on hockey became just as much part of Mariucci's existence as eating and sleeping. He deserted the blades for basketball for one season in high school, but he was dissatis-fied and the following season he was back again as a member of the Eveleth high school sextet, 10 times winner of the national scholastic hockey championship in 11

In his senior year, he was the leading scorer of the team and the Mesabi Range league with 20 points despite the fact that he played defense. On that team vere several young stars later destined to become nationally known among them Frankie Brimsek in
