#### El Chico Expected To Make Start In Kentucky Derby

LOUISVILLE, Ky., April 22 -(INS) - El Chico, one time winter book favorite in the Kentucky derby, was regarded today as a fairly sure bet to start the \$50,000 race, after all.

Stock in the William E. Ziegler colt took a tumble after its beating at Jamaica last Saturday and it was reported that El Chico might not even be shipped to Churchill Downs.

Word was received yesterday, however, that both El Chico and his stablemate Our Mat. will make the trip for the annual classic, Because of a shortage of stable space, no other horses in the Ziegler string will take part in the Downs meeting this year, it was said.

Technician, the Insco colt and stablemate of Lawrin, 1938 derby winner, continued to shine above the other derby hopefuls already on hand, and was clocked yesterday in 1:45 2-5 for the mile.
