NEW YORK, May 6—(AP) — The stock market engine sputtered and almost died today as traders found little buying fuel in either European or domestic news.

While minor fractional gains predominated during the greater part of the two-hour proceedings, numerous issues were unchanged and a smattering of negligible minus signs was in evidence at the close.

The few customers who appeared seemed more interested in the Kentucky Derby than in trying for a long-shot in the stock list. Transfers of approximately 150,000 shares were the smallest since last June.

Reluctance of traders to take any pronounced position either way was attributed partly to the growing seriousness of the soft coal tie-up.

Support was accorded Bethlehem Steel, Chrysler, Montgomery Ward, United Aircraft, North American, Anaconda, American Smelting, N. Y. Central, Texas Corp., Goodyear, Eastman Kodak and Philip Morris.

Bonds were unusually quiet, but selectively improved. Commodities generally exhibited rising tendencies.

In their search for trend clues, market analysts studied the trade summary of the federal reserve board which estimated the country's department store sales last week registered an increase of six per cent over the like period a year ago.

Notwithstanding this week's sharp drop in automotive output, some consolation was derived from reports stocks of used cars of around 450,000 currently were well below last year. On the other hand, sales of second-hand vehicles were said to be running 40 to 50 per cent above the early part of the previous April.

UNIFICATION DATE SET UP

KANSAS CITY, Mo., May 6 — (INS) — After a split lasting more than 100 years, Methodism will become a church of unity in Kansas City next Wednesday night.

Delegates from the Methodist Episcopal, Methodist Episcopal, South and Methodist Protestant branches moved up the declaration services yesterday by a full week.

Details of arranging the unification have progressed much more smoothly than anticipated, it was said, with only minor disputes breaking out in the discussions.

TWO KILLED AT GRADE CROSSING

FAYETTEVILLE, N. C., May 6—(INS)—Two persons were killed and two others were critically injured in Fayetteville early today when a northbound Atlantic Coast line freight train collided with a gasoline trailer loaded with 4,000 gallons of gas.

The dead: A. F. Buchanan, 51, of Rocky Mount, N. C., engineer on the freight train; George W. Barbee, 35, of Fayetteville, driver of the gas trailer.

The injured, who were not expected to live, were: H. D. Fowler, 32, of Rocky Mount, N. C., brakeman; Earle Powell, 43, Negro fireman.

FALLS INJURE THREE IN LIMA

Three men were injured, none seriously, in falls while working Friday and Saturday.

Dwight Eversole, laborer, working at the Ohio Steel Foundry for H. U. Tuttle, contractor, was shaken up early Saturday when he fell into a pit. He was treated at St. Rita's hospital and admitted for observation.

Jess Blackburn, of 342 S. Pierce st, fell from an incline from the first floor to the basement Friday at the Conestoga Cheese plant and suffered a right arm dislocation. He was given first aid treatment at Memorial hospital and discharged.

Vox Pop Program Scheduled For Airing At Fair Grounds

Johnson And Butterworth Will Have Two Out Of Three Broadcasts From Super-Show Scene

Two out of every three broadcasts of NBC's Vox Pop program, conducted by Parks Johnson and Wally Butterworth, will originate within the grounds of the New York World's Fair, beginning with the WEAF broadcast Saturday at 8 p. m. This first World's Fair program will come from the RCA Exhibit building. The other broadcasts as usual will originate either in the lobby of the RCA building or that of some large hotel in New York City.

"Should an employer adopt the policy of hiring young men, or men over 40?" will be the question of the week posed by Parks and Wally during their first World's Fair broadcast. In addition to spectators chosen at random from the audience, a special interviewee will be Count Theo Rossi, said to be the world's richest bachelor. He is the world's speedboat champion, a former Olympic bob-sled captain, and an all-round sportsman.

Ann Shepherd, stage and screen star, and Raymond Edward Johnson, well known radio actor, will have leading roles in "The Engulfed Cathedral," a fantasy based on Debussy's musical composition of the same name which Arch Oboler is to present over WEAF Saturday at 9 p. m.

Miss Shepherd, a member of the Group theatre, was last seen on Broadway when for two weeks she replaced Sylvia Sidney in "The Gentle People" during the latter's illness. She was featured in "Having Wonderful Time" and has spent a year in Hollywood under contract to Universal Pictures.

Johnson has had numerous important parts in Oboler's plays. He specializes in monologues and his most recent appearance in such a role was in "Hail Victory" on April 15.

By popular request the National Broadcasting Co. will repeat Gian-Carlo Menotti's radio opera, "The Old Maid and the Thief," Saturday, in a broadcast to be heard over WJZ from 9 to 10:15 p. m.

Following the enthusiastic reception of this opera by New York music reviewers when it was given its world premiere in an NBC broadcast on April 22, the National Broadcasting Co. has received literally thousands of requests for a second hearing of this work which the gifted young Italian composer was commissioned to write by NBC. These requests have come not only from practically every state in this country, but from short wave listeners in South Africa, Europe and thruout South America.

Mr. and Mrs. Emmet Carr of Ames, Ia., who have reared 56 foster children in the last 20 years, will be interviewed on the National Barn Dance program Saturday from 8 to 9 p. m., over WJZ. On the same program Tizzie Lish will make the first of three guest appearances.

The program will open with the ensemble presenting "You're As Welcome As the Flowers in May" and "'Neath the Spreading Chestnut Tree." Kip Farrell, romantic baritone, will be heard in "Gardenias" and Bob Valentine, harmonica soloist, will play "Butterflies in the Rain." The Maple City Four will sing "Clover Blossoms," the Hot Shots, "Moving Day in Jungletown," and Lucille Long, contralto, "One Morning in May." The ortel, Ann Pat and Judy and the orchestra will offer a medley of "Tip Toe Thru the Tulips," and "Take a Tip From the Tulips." Henry Burr and the ensemble will be heard in "Jeanine, I Dream of Lilac Time."

FOREIGN STAFFS JOIN IN FLIGHT

Casualties Placed At 4,000 In Bombed Chinese City; British Legation Buildings Are Damaged

CHUNGKING, May 6—(AP)—Foreign diplomatic officials joined a general flight today from this bomb-wrecked Chinese capital, parts of which still were burning from Japanese air raids that caused an estimated 4,000 to 5,000 casualties.
