Old Ranger To Recount Story Of Famous Actor Edwin Booth; Three Favorites On Plantation Party

Perils of Pocahontas, an original musical comedy with words and music by Gracie Allen, will be featured on the Burns and Allen program Friday at 7:30 p. m. over WABC. As this squib goes to press, Frank Parker and Ray Noble are both fighting for the right to play "John Smith," with George not caring which way Gracie's choice falls. George wants to play an Indian chief so he can wear the feathers out of Gracie's new spring hat.
