– Bo Betty Cau A SHORT time ago a Mil-waukee man who had an engagement to address a luncheon meeting in Madison was attending a convention in Chicago the five days preceding the luncheon here.

The night the convention was over the man and a crowd of his buddies celebrated, and the man, who got back to his hotel room at 2 a. m., left a call for 7:30, so that he could catch the 9:10 a. m. train to Madison and be here for the luncheon.

When the desk clerk called him at 7:30, however, he so weary that he thought he'd take another half-hour snooze and then HURRY to make the train . . . which he did. Only the half hour turned into an

No need to ask others to sign the loan papers with you (married couples sign together). The arrangements for your loan are completed promptly and privately.

Payments to fit your income

Locate the amount of cash your need in the loan table. Then read across, picking out the monthly: payment which fits your budget. See how you can make very small payments if you wish. Or you canpay larger installments and pav up sooner. Note how little your loan costs if you repay in a short time. A loan of \$100 repaid in four monthly installments costs \$6.44. And to get a loan you need no endorsers. You are spared the embarrassment of asking friends or relatives to endorse your loan.

Study the table before you get a loan anywhere. Note the convenience of Household's new payment plan. Then phone or visit us for further information without obligation.

READ THIS GUARANTEE

We guarantee the total amount figured' by using this table to be the full amount you will pay, where payments are made-on schedule. You will pay less if you pay ahead of schedule. To know the total you pay on any loan, select the amount you ped in the table Road to amount you need in the table. Read to the right, picking the monthly pay-ment you wish to make. Then multiply this payment by the number of months given at the top of that column.
