400 Jews Rescued from Burning Ship

JERUSALEM (U.P.)—A Greek ship carrying Jewish immigrants from Constantia, Rumania, to Palestine caught fire today and sent distress signals.

An Italian ship responded and rescued 400 immigrants. Details were lacking.

Benny Goodman, celebrated clarinetist and swing maestro, begins a new series on WIBA Saturday night. He's shown serenading his new vocalist, 20-year-old Louise Tobin of Dallas.

Interstate Crime Control Discussion Tonight's Headliner

A roundtable discussion by authorities on crime laws which are being amended in California will be presented over WIBA and WMAQ at 9:30 tonight. Taking part in the discussion will be Judge Richard Hartshorne, president of the interstate commission on crime; Gov. Culbert L. Olson of California; Gov. Herbert R. O'Connell of Maryland, and San Francisco Police Chief William J. Quinn.

Discussed over the roundtable will be the obstacles which interstate laws place in the way of crime control and measures which the commission hopes will overcome some of these. What the commission terms "legal underbrush" along the boundary lines of the state which prevent capture of criminals who cross a state line will be a topic, as will be one of the measures the commission has fathered to counteract this, the "fresh pursuit act," already enacted by many states permitting an officer to follow a criminal into another state and arrest him there.
