were near the 2000,000-shar mark, largest turnover for a Sat urday session since March, 1937. Steels, coppers, aircrafts, sugars, louston Oil New Int. Harv Co-linter State Dept chemicals and oil, were the principal forward sprinters among shares.

Retaining sizable portions of their peak gams were U. S. Steel, Bethichem, Republic. Anaconda, American Smelting, Boeing, Douglas Airciaft, Sperry, Fajardo Sugar, South Porto Rico Sugar, Du Pont, Dow Chemical, Union Carbide, Allied Chemical, Continertal Oil, Texas Coip., and Interpational Harvester.

Backward were American Telert.one. Western Union, Consoli-dated Edison, No. b American, Sears Roebuck, Montgomery Ward, Philip Morris and Southern

Business observers weighed possibilities war huying might act as further stimulant to some industries, including shipping, chemials, aviation, metals and oil. Low inventories in many fields, it was suggested, might hasten forward orders to accumulate stocks for protection against higher prices.

LONDON O, Sept. 2 - (INS) -Rumors that he would resign the superintendency of the London salable puson farm were denied today by Thomas C. Jenkins, who has been under fire because of the escape of 14 inmates from the farm in the last 30 days.

"I have always said that I would not resign," Jenkins told International News Service.

"The welfare department has my request for a six months' leave of absence and I believe it will be given every consideration. Jenkins has been in ill health for some time,

Meanwhile in Columbus, Welfare Director Charles L. Sherwood said he would announce his decision on the prison farm situation next Tuesday. Jenkins confirmed "that it was possible something may come up in the next few
