

Dunne And Niven Teamed In Radio Production Monday

DeMille To Present Adaptation Of "The Sisters;" Templeton To Present Another Unique Program

"The Sisters," a best-selling novel later made into a movie, is translated to the medium of radio by the Radio Theatre on Monday, with Irene Dunne and David Niven in the principal roles.

In this dramatic story of the three Elliot sisters only one of the trio is content to lead a quiet life in the small Montana town of their birth. She is the youngest.

The second sister, a cold and calculating type, marries a succession of wealthy husbands.

It is, however, with the life of the oldest sister, played by Irene Dunne, that the play is mainly concerned. A rare combination of beauty, brains and character, Louise Elliott, believe she has found the answer to a fuller life when she meets and marries a San Francisco newspaperman, played by David Niven.

When her husband can't stay away from drink, Louise takes a job which so injures her mate's pride he ships a seaman on a voyage to the Orient. Louise is injured in the San Francisco earthquake but later recovers. The human document comes when dramatic climax to this forceful, Louise's husband returns to her in ill-health.

The Conan Doyle story begins when Holmes and Dr. Watson receive an urgent message from Kings Byland, famous racing stable of Colonel Ross at a lonely spot on bleak Dartmoor.

Columbia university's freshman class has a new president in the person of Donna Day, dynamic vocalist featured with Fred Ward, leader of the nightly Pleasure Time broadcasts at 7:00 p. m., over WEA-F.

Altho Donna has never been closer to college than a junior's class pin, she was unanimously elected proxy of the class of '43, according to the Columbia Daily Spectator, which reported her installation at the university's first residence hall function last Sunday, Oct. 1.

The die was cast for Donna when a large body of impressionable froshies attended a recent Waring broadcast and were captivated by Donna's qualities, including her voice. At class elections next day a moon-eyed yearling, still under the spell, offered her name in nomination. When the vote was counted there was not one dissenting ballot, and since she

A. F. L. REVOKES UNION CHARTER

Two Newly Organized Groups Welcomed Into Fold At Cincinnati

CINCINNATI, Oct. 9.—(AP)—The American Federation of Labor convention today voted to revoke the charter of a 35-year-old union of foundry employees, and at the same time welcomed into the AFL fold two newly organized unions of textile and cement workers.

Acting on a recommendation from executive council, delegates approved a committee report for revocation of the charter issued in 1904 to the International Brotherhood of Foundry Employees, its 3,500 members to become affiliated with the International Moulders Union.

The revocation and merger was recommended because changing conditions in industry had brought the jurisdictions of the two unions into conflict.

CINCINNATI, Oct. 9.—(AP)—Efforts were reported under way at the American Federation of Labor convention today to settle by conciliation the momentous jurisdictional dispute between the Teamsters and Brewery Workers union which has involved the AFL's basic powers in a federal court injunction suit.

A District of Columbia federal court ruled last week that the federation had no power to transfer organizing jurisdiction from the Brewery Workers' to the Teamsters' union and granted the BWU an injunction to halt the AFL and Teamsters from enforcing a 1933 convention decision providing the transfer.

The 1933 decree gave to the teamsters the right to organize beer truck drivers claimed by the BWU.

Joseph Obergefell, BWU secretary, said he had heard of the injunction plan and was willing to enter into conferences.

Union officials said they hoped to settle the conflict before it reached the convention floor for action on an executive council recommendation that the BWU be suspended for initiating the injunction suit.

As an alternative, it was suggested the convention might approve a plan to defer action on the suspension recommendation until the federal court decision is tested on appeal to the higher courts. The AFL is expected to file an appeal within a few days in the U. S. circuit court of appeals.

In another controversy, the Masters, Mates and Pilots organization field was back in the convention renewing its demand that Joseph Ryan and his International Longshoremen's-union cease invading the Masters, Mates and Pilots jurisdiction.

Delphos Church Celebrates 54 Years' Service

DELPHOS, Oct. 9.—Half a century of religious service to its community was recalled Sunday when the Christian church congregation celebrated its 54th anniversary.

Beginning with the Bible school session, there were morning worship, reunion and testimony services during the afternoon and the day's program closed with communion service at night.

The municipality was represented officially by the presence of Mayor and Mrs. David L. Baringer.

Rev. J. W. Sager, pastor, conducted the morning service, with Carl Miller heading the Sunday school period, before dinner was served. Miller presided for the afternoon session when reminiscences of the early days of the congregation were recounted. The church was founded in 1855.

Leo Evick called the church roll of 1896—as far back as the records go—and it was responded to by either a member of that day or descendant. Seven ministers were heard during the afternoon and included: Rev. V. L. Wells, E. E. Stopher, C. A. Ford, J. Young, Burchin, J. Deacon and the church pastor. A great grandson of the latter also was present.

Interposed with the addresses was a musical program of local and out-of-town musicians, directed by Mr. Miller, with Mrs. Walter Wisler accompanist. Numbers were sung by both the church and children's choirs, also by the Zion male chorus. The Alleluia instrumentalists of Ottoville played. Mrs. J. Wagner and Betty Bryan sang solos.

Duets were sung by Mr. and Mrs. Walter Wisler, Mrs. Naomi Fuerst, Mrs. Harry Woodcock, Mrs. Clyde Adams, Mrs. John Adams. The two latter with Evick also were heard in a trio.

Jones Family Starring In A New Comedy At The Lyric

Group Goes To Hollywood To Legion Convention As Scene For Troubles; "Man To Remember" Second Film

That realistic American family—the Joneses—are starred in "The Jones Family in Hollywood" at the Lyric starting Monday. The folks this time attend a hypothetical American Legion convention in Hollywood and from the time the family arrives until it is time to go home one hilarious situation follows another, with each member of the family guaranteed to be in "hot water" at least once.

Also showing at the Lyric is "A Man To Remember" with Edward Ellis cast as a country doctor, a role in which he won nationwide acclaim. This powerful drama also includes Anne Shirley and Lee Bowman.

At the Sigma Franchot Tone returns to the screen in "Fast and Furious," a new kind of murder mystery, laid against a seaside beauty carnival. With Tone and Ann Sothern cast as bunched detectives, the picture is packed with laughs and mystery situations.

Richard Greene in his first starring role, "Here I Am Stranger" provides ample support to his claim as the year's surprise find. Blazing modern questions of what happens when a boy meets life for the first time, are dealt with in this Quilna picture, with supporting roles capably handled by Richard Dix, a veteran matinee idol; Brenda Joyce, refreshingly new; Gladys George and Roland Young.

Crowding the top in 1938's biggest hits list is "Beau Geste" collection at the Ohio theatre. Collection of a superb cast, each actor at his best, results in the story more thrilling than could be imagined. Gary Cooper, Robert Preston, Ray Milland, Brian Donlevy and Susan Hayward lead this great cast.

Timed well with the return of Jack Benny to his fall radio program, the State offers this versatile favorite in his best picture, "Man About Town," a double bill with "Sweepstakes Winner," Benny, with Dorothy Lamour, Edward Arnold, Binnie Barnes, Phil Harris, Betty Grable, and "Rochebster," offers a treat for the whole family. Marie Wilson and Johnny "Scent" Davis are starred in "Sweepstakes Winner."

OHIO The French Foreign Legion becomes a topic of conversation, one thinks of real fighters, men who can hold their own in any company! And, fittingly enough, the 51 male principals who appear as legionnaires in "Beau Geste," at the Ohio theatre, are professional ex-military men, or have at least plenty of ability in handling a gun.

The starring trio boasts of two members who can handle a gun with authority. Gary Cooper was trained on his father's Montana ranch to do anything a cowboy can do. Ray Milland was a subaltern in the Royal Household cavalry, personal guardians of Britain's sovereigns, before Hollywood called him. Preston, a vigorous specimen of young American manhood, seems fully capable of acquiring himself well in any kind of a fight.

J. Carroll Nash, who, as the skulking corporal, is Donlevy's chief assistant villain, was a World War flier in the U. S. Army Air Corps.

Virtually every branch of the armed services is represented in this group, too.

Harry Woods, an outstanding heavy, served in the 1st U. S. Engineers in the World war, while Harry Lucenay did duty with the U. S. Army intelligence service in France. Frank Henry, standing in for Brian Donlevy, fought in France with the 4th Battery of the Field Artillery in the first contingent of the Canadian army.

Nick Vehr was a Russian cavalryman and Alexis Davidoff served in the Russian heavy artillery. Bob Perry saw duty as a machine gunner in the Anzacs, the Australian-New Zealand expeditionary force.

The drama of Fort Zendenneuf forms the climax of "Beau Geste," the story of three gallant brothers who join the legion so that no one of them shall be thought guilty of the theft of a valuable sapphire, the "Blue Water," from their guardian.

Susan Hayward, Donald O'Connor and James Stephenson will also be seen in featured supporting roles. Robert Carson wrote the screenplay.

HARROD BRIDGE, ALLEN-CO ROAD WORK PUSHED

In addition to constructing 7.6 miles of new roads since April 1, Allen-co workmen have nearly completed work on a \$3,100 bridge project started at Harrod two weeks ago, it was announced Monday by Walter J. Neidhardt, county engineer.

The bridge, in Main-st, will have a 40-foot roadway with a nine and one-half foot sidewalk on each side, according to Neidhardt. The cost is being borne jointly by the village and the county.

Road work now being finished includes the surfacing of two miles of the Harrod-Alger-rd; installation of bituminous top on three miles of the Agerter-rd; and oiling of two and one-half miles of the Thayer-rd in Bath-up, with township trustees providing the oil.

"We have been unable to put WPA laborers to work berming, grading, tiling these roads because the Toledo district WPA office has withheld approval of the projects," Neidhardt said.
