NEW YORK, Oct. 14-(AP)-Narrow price changes either way ruled in today's early stock market proceedings.

Amorig items given attention by market analysts, were:

The federal reserve system, for the week ended Oct. 11, reported; excess funds of member banks climbed \$40,000,000 to a new record high. New York banks showed a rise of \$10,000,000 in comercial loans, which was said to have been less than expected at this time of year. Brokers' loans, after having moved up in the preceding week, were off \$1,000,000 to \$411,-U00,000.

The reserve board also disclosed last week's department store sales for the country as a whole registered an increase of 11 per cent over the corresponding 1938 period. All districts enjoyed gains ranging from 2 per cent at Boston to 18 per cent at Dallas and San Francisco. In the prevnous week the year-to-year improvement amounted to 14 per
