

Radio News and Programs If Harmon's a New Grange He'll Have to Show Zup

Catherine McCune broadcasts without her shoes for two reasons: first, it brings her good luck; second, it's just plain comfortable. Here she is as "Clara Potts" in the dramatic serial "Scattergood Baines," with a friendly arm around the excitable little "Pliny" (Francis Trout). Left she is considered an Amazon, Catherine is exactly 5 feet 8 1/2 inches tall, while Trout is 3 feet 2 inches. Each weighs 125 pounds.
