Doctors say your kidneys contain 15 miles of tiny tubes or bitem which help to purify the blood and keep you healthy. Kidneys remove excess scide and posonous waste from your blood. They help most people pass about 3 pints

block, I say not proof pass about a pines a day.

When disorder of kidney function permits poisoinous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, head-aches and distances. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidness or bladder.

Now there is admirating with a point wait! Ask your druggist for Doan's Tills, used successfully by millions for over 40 years. They give happy relief and will help the B miles of kidney tubes fush out poisonous waste from your blood, Gat Doan's Pills.

OF CHANGES IN

OTTAWA, Nov. 22—Changes that have been made in the federal crop control regulations on depleting and corn acreage were explained by Ted Rupert, district field man for the Agricultural Adjustment Administration, in a meeting of township AAA committees here Tuesday afternoon.

Rupert also touched on the parity payment plans for 1940 and answered questions of the various committeemen. Arnold J. Schroeder, chairman of the Putnam-co AAA committee, presided and introduced Rupert. The chairman announced that

meetings Tuesday night. A total of \$61,252.97 was received for distribution to bring the total received this year to about \$120,000. Schroeder also stated that the adjusting of acreage will start today in Greensburg and Monroetwps. The various township committees will be in charge of this work. Upon the adjustments made at this time, the tederal officials will base the allotments to be received later, Schroeder pointed out. As quickly as the townships are ready for the adjustment work it will be done through the county.
