DEATH WATCH...

Neither had collars nor tags, but for weeks they'd been dodging pedestrians' kicks and rifling garbage cans in the nation's capital. She was a tousled odd-lot of many breeds, he, a Big Lennie, who could have snapped her neck with a twitch of his head. Even so, the queer-looking pair chose to make it a partnership. When she scampered across a busy Washington street and was instantly killed by a passing car. Big Lennie straddled her battered body in the manner shown above, until arrival of an attendant from the Animal Rescue League, who used the proper tone of voice, but then had to drop a net over Lennie before the big fellow would give up his vigil.

AID FOR FINLAND
