## **Pearce And Gang To Present** "Winter" Program Wednesday

Zanies Ignore Weather Conditions In Planning Broadcast; Comedians To Swap Fast , Talk

With a due nod to Christmas, Al Pearce and his Gang will present a "Winter" program over WABC Wednesday from 8 to 8:30 p. m., and this despite the fact that Hollywood, where the program originates, has had the warmest December in the history of the weather bureau.

Headman Pearce and Billy "Ton of Fun" House will settle the question of how to spend a winter vacation by following the suggestion of Artie Auerbach and taking a hunting trip with that humorous dialectician.

Henry William Jeffers, inventor of the rotolactor, the cow milking merry-go-round which was the feature of the
