

STOCK MARKET CHANGES MINOR

Traders Mark Time As Reports Show Department Store Sales Up

LIMA STOCKS Westinghouse Elec. & Mfg. Co., open 107 1/2, high 108 1/2, low 107 1/2, last 108 1/4.

Small price changes either way ruled in today's early stock market transactions.

Noted by market analysts were the federal reserve figures disclosing the country's department store sales for the week ended Jan. 12 topped the comparable period last year by four per cent.

PERMANENT SOLUTION SUGGESTED

Roosevelt Says Handouts Will Not Cure Economic Ills

WASHINGTON, Jan. 20.—(UP)—The White House Conference on Children in a Democracy finishes its decennial meeting today, after hearing President Roosevelt urge a program including adequate taxation on an ability to pay basis and higher incomes for poor classes.

The 500 delegates will hear Mrs. Roosevelt and Secretary of Labor Frances Perkins, and discuss ways of putting into effect the chief executive's recommendations during their final session today.

Roosevelt last night told the conference that "handouts from the federal treasury" do not constitute a solution for the nation's economic and social ills, and warned that there is a "bottom" to the government's treasury.

In a nationally broadcasted permanent answer to these problems must be found in "improving the economics of the country and an insistence on adequate taxation in accordance with the ability to pay."

He warned that world events have proved that "our democracy must be strengthened at every point of strain or weakness."

Central High Students Give One-Act Plays

By JUNE SCHULTE "Saturday Morning in an Office," a one-act play by Ethel A. Johnson, was presented by members of the Commercial club during club period, Wednesday.

Members of the Troubadour club will present "Finger Dust," a one-act play, during club period next Wednesday, Jan. 24.

The "Winter Whirl," an informal dance to be given by the Central Senior Hi-Y, will be held Saturday evening at the Y.M.C.A. Music for dancing from 8:30 until 12 p. m. will be furnished by the Duncan Williams band.

Rehearsals for "June Mad," the annual Masquerade play, are now under way. Miss Elizabeth Hill, club sponsor, is supervising rehearsals.

Collection for the "March of Dimes" was taken Friday morning and afternoon in the various home rooms.

Members of the Senior class Blue Triangle club held a meeting Thursday after school.

Members of the Junior class Blue Triangle held a meeting at the Y.W.C.A. Thursday after school.

Yesterday, another daughter, Mrs. Edna McHugh, became a mother. It was a baby girl, 8 months, 2 and 1/2 ounces, and was named Judith.

"So it's a girl?" remarked Cantor. "Oh well, we've got one boy, anyway."

WHEAT LOWER IN DULL TRADE

Selling Is On Small Scale As Offerings Of Loan Wheat Are Expected

CHICAGO, Jan. 20.—(AP)—Wheat prices were lower today.

Wheat prices were lower today although selling was not on a large scale.

Some traders said the market exhibited nervousness due partly to expectations that increased quantities of loan wheat may come into commercial channels the next few weeks prior to expiration of loans.

Opening 3-8 to 3-4 lower, May \$1.00 3-4 to \$1.00 1-2, July 98 1-4 to 98, wheat later held near this range.

TOLEDO GRAIN TOLEDO, Jan. 20.—(AP)—Grain on the market (cent rate basis, new wheat—nominal).

Weather Hikes Relief Costs

Bill Mounts Swiftly Through Ohio, Contrary To Expected January Drop Thru Private Re-employment

COLUMBUS, Jan. 20.—(AP)—Cold weather is cracking open tightly-laced state and local budgets.

Instead of an expected January drop in relief costs thru private re-employment, the bill is mounting as thousands of persons plead for extra food, clothing and fuel.

State WPA officials said their employes alone would lose \$1,000,000 to \$6,000,000 this month because of project shutdowns due directly to the weather.

State welfare department officials said that prior to the severe cold they had looked for a January relief load under the 95,000 cases, averaging three persons each, which cost about \$2,000,000 in December.

Clarence Benedict, Toledo poor relief commissioner, reported that it might be necessary for council to increase slightly its \$100,000 monthly relief limitation.

Desperate for fuel orders have jumped 50 per cent since the cold water struck, but all needy cases are being cared for, he said.

of police in one mid-western city was defied in 1937 by Michael Kalamyer when he staged a big warehouse robbery, torturing the watchman and his wife and slugging a furious gun battle for the loot.

ANTI-LONG VOTES ARE CONSOLIDATED BEHIND SAM JONES support even if it were offered him.

The governor summoned the state legislature to meet in special session today, and it was believed that repeal of the state sales tax law would be pushed thru it in rapid-fire order.

NEW ORLEANS, La., Jan. 20.—(INS)—Rapid moves to consolidate anti-Long votes behind Sam Houston Jones today encouraged Louisiana forces seeking the defeat of Gov. Earl K. Long, brother of the late Huey Long.

The showdown will come Feb. 20, when Gov. Long will face Jones in a run-off primary. Altho Gov. Long had the greatest number of votes in Tuesday's original primary, Jones and James A. Noe together had enough to beat him—and Noe immediately announced his official campaign for a run-off of Jones.

An official compilation for 1,419 of the state's 1,703 precincts, issued late last night, gave: For Gov. Long, 210,821; For Noe, 104,347.

Fifty thousand votes were distributed among two other candidates in the run-off primary—first in years for this Long-dominated state—became automatic for the two top candidates when none obtained a majority.

All of the candidates opposing Long were strongly anti-administration in a campaign which was featured by charges growing out of the federal government's investigation of asserted corruption in high places.

Gov. Long's forces, however, pooh-poohed suggestions that the Jones-Noe vote could be consolidated against him. Gov. Long stated he would not accept Noe's

STATE HOSPITAL PATIENT TAKES HIS OWN LIFE The body of Orem Jordan, 55, of Mason, Warren-co., was found hanging about 5:45 a. m. Saturday in his room at the Lima State Hospital for the Criminal Insane.

A verdict of suicide by hanging was returned by Coroner Burt Hibbard, who said the man had made a rope of his bed sheet and had tied it to the window bars. Body was discovered by Curtis C. Bigelow, an attendant.

COACH AT HOWARD DENIED CONTRACT BIRMINGHAM, Ala., Jan. 20.—(UP)—President Harwell G. Davis today said that Billy Bancroft's contract as head coach would not be renewed.

Davis said Bancroft's successor had not been selected and it would be several days before a coach would be chosen.

Bancroft's contract expires in June but his successor was expected to take over in time for spring training.

Bancroft, who finished at Howard in 1928, became head coach in 1935. His teams have won 21, lost 15 and tied five.

FIRE DESTROYS MERCER-CO HOME CELINA, Jan. 20.—Fire believed to have been caused by a defective fuse destroyed the home of Henry Lemke, five miles northwest of Celina, at 5 p. m. Friday.

Loss which amounted to \$2,500, was partially covered by insurance. The Celina fire department was too late to save the home but prevented the fire from spreading to adjacent buildings. Most of the household goods were saved.

He repeated that "I mean it. They just can't see each other." "Why, out there in western Pennsylvania we would be flying along at 15,000 feet, sucking oxygen. There would be two planes, taking pictures, mapping, you see. And 99 times out of a hundred the other plane could pass right by the side of me, and I wouldn't see him. He couldn't see me. Something peculiar about that.

It's the lack of reflected light, I guess. That, and the lack of background. Very peculiar. Straight ahead of you it's gray and a funny-looking blue, and you can't make out anything."

"Then you're going to do about your rate of climb?" They say that they are making airplanes that will climb to 20,000 feet in a few minutes. Well, I'm here to tell you that the man who can stand a regular diet of that doesn't live."

When he got back from Pennsylvania Bill found out his days of meandering around apparently were over. His wife had bought a curio shop. For 16 years, Bill, she said, "was trapped around, and I want to settle down. The shop is to keep you home."

He said that they are camouflaging those airplanes over there, argued Bill. "And that makes it worse. Then you've got to have oxygen, and the temperature drops until the bottom falls out of the thermometer and it's miserable flying."
