Their inspection of Salt Lake City and its unique institution of Mormonism was probably the most educational and amusing experience the travellers had. Because of its doctrine of polygamy (allowing a man to have several) wives), Mormonism was the object of curiosity and controversy after the Civil war.

An interview with Brigham Young, the temporal as well as spiritual leader of the Mormons, gave the Badgers and particularly Ross material for timely discus-

"One of the party suggested on; account of the extravagance in dress, adopted by the women, it was only with difficulty that most young men could support one wife. is owing to the man not having the. confidence of the women. I must confess that women, without religion and faith, are hard to man-

"He said plainly that the system;"

church seem to cling to polygamy; with the tenacity of life—with it. they will traverse deserts, locate. on rocks, bear hunger, thirst, and every imaginable privation, and prairie dandscape and commented without it, they will die at the on the institutions of that town.

"The followers of Mormonism; recognize Brigham Young as appresident, not only of a church, but of a state, which they call Descret. They have at the present time the largest liberty and license and can-do what the men and women of Wisconsin, living under the same flag and United States law, cannot do without being indicted and punished. The same public sentiment that in-Virginia saved Jefferson Davis,

encourages polygamy.

"After visiting the Tabernacle"
and taking soick of Brigham, but not in him, several of our party. remarked that his shirt and collarness, but I believe that the natural. taste of a man has much to do wise, as I know several men each,

with making him nest or otherblessed with a particular wife,whose appearance is no better than that of Brigham Young." During the two days spent in-

Salt Lake City, Ross acquired at fondness for bathing in the warmsulphur springs near the city.

"is their tendency to make Democrats fraternize with Republicans, and I form this opinion from seeing George B. Smith, Philo Dunning, and J. B. Smith, the only three Democrats in the party, joining hands with Republicans when in the bath, and glee-

fully dancing around." Out of curiosity, the party stophouse while in Salt Lake City in order to see the Mormon system at first hand, "but the last apology for breakfast we got there was the most barefaced swindle ever perpetrated in a Mormon or Gentile

community," asserted Ross.
"The breakfast had been ordered at 3:30 a, m. on Tuesday morn-, ing, and the full price paid for it, and yet when we sat down to it, there was only dry bread, brownmilk-warm water for coffee, no. milk, and but two miserable look-

(Prepared by the radio committee of the Madison branch, American Association of University Women.) Are you of the vast majority who say, "Short wave! I never bother with that"? Short wave reception is now standard equipment on all radios

Good

Listening:

Short Wave

trick of enjoying short wave is to

turn from one of these cases of

000

Favorite programs are usually

inaudible in a thunder storm, At

that time short wave has more

than an even chance of being

clear. Sometimes long wave pro-

grams bore; at that moment a

short wave program will probably

interest. Few good programs, for

instance, are available Wednesday

costing \$30 or more, and on many less expensive. Most people believe it consists almost entirely of police calls, dots, dashes, and squeaks, In fact it does, except for six liftle bands on the dial. The

real programs to another, with speed. They are: 6-6.15 mega-cycles; 0.38-9.68 Me.: 11.5-12 Mc; 15--15.79 Mc; 17.65--18.75 Mc; 21.43--23.08 Mc. Frobably only two of these will bring in-TED FIO RITO programs clearly at any one time. But that is enough; for within one narrow band London comes in, Berlin, Rome, many South American neighbors, our own countrysay New York or New England.

Week on Air

Guestars, special events, changes n schedules, and discussions of important problems will mark the

O-Can You Recognize the Tune?-

or Thursday evenings. Yet last Wednesday at 8:05 p. m. this listener had her choice of a good orchestra (11.73 Mc.) or good voices (9.5 Mc). One hesitates to say anything to make short wave popular; for now new week's radio hookings. Here it carries good programs rather are the highlights, as checked late than cheap entertainment; and one knows that popularity will attract advertisers, and that the majority of advertisers have a low opinion 10:15 a. m., Life Begins, new serial, of public taste, or themselves prefer noisy entertainment. Already tawdry programs are on our short

> wave because they reach farther. Together with our movies and our tourists, they give the rest of the world its impression of America and Americans. If our national character is to be judged by the poorest fourth of our short wave programs, we shall so lack the respect of the world that the influence of our statesmen in world affairs will be lessened—just now, too, when respect for our nation would help the world. In comparing our short wave programs with those of other lands, the American, often has cause to be ashamed; for though three-fourths ours are good, practically all of theirs are above reproach.

Poor programs on short wave

are more regrettable than on long

We have one station which does not accept advertising. It is WRUL, Boston, a non-profit organization, supported by subscription. It was formed "to foster, cultivate, and encourage the spirit of international understanding, and to promite the enlightenment of individuals throughout the world." You will probably enjoy the programs at 2 p. m. (WRUL, 11.79 Mrgacycles) and at 6 p. m.

(WRUL, 6.04 Mc. or 11.73 Mc.)
