Wilson, Montagu Love and Alan Baxter play prominent parts.

"The Fighting 69th" is a... It is more than just the story of a famous regiment, but it tells that story faithfully and well... a huge sense of "The Fighting 69th" is symbolic of all the regiments which have served under the American flag.

The drama larded with much burlesque comedy focuses on James Conroy as an arrogant and incorrigible young recruit who doesn't have a hoot for the traditions of the Fighting 69th during training and on a stand up to the hard codes of his own, simple soldier's duties. He becomes the anxious concern of the commanding officer, who is played by Alan Baxter.

Standing out from amongst the others is the carefully selected support cast. It includes the able port Jocke Kilmer, Alan Hale, a grizzled top sergeant Tom McHugh as a killing machine, William Ludwig, Sammy Chinn, Dick Loran, John Paul Dunn, Morgan Gunn, William Henry O'Neil, Tom Dugan and Harvey Stephens. A score of other actors are also featured.

"The Fighting 69th" is well directed by Lewis Allen. The picture is a masterpiece of its kind. It is a masterpiece of its kind. It is a masterpiece of its kind.

Standing in the tradition of an immortal as heaves, immediately after a long trip, therefore, is the best time to drain the blood.
