"Thou Shalt Not Kill," produc-

tion scheduled to open Tuesday at

the Majestic theatre, gives Charles

Bickford an opportunity to play a

role far afield from those with

which he is usually associated. Hollywood trade-papers have given

him excellent notices for his work

as the two-fisted parson who solves

an "American Tragedy" murder

mystery. Bickford, as Rev. Chris, 'gives

an able and restrained perform-

ance,' says Hollywood Variety.
