They WANT You To Call Again!

To all the merchants you buy from, "repeat" orders are not only desirable, but absolutely necessary. In order to stay in business, those merchants have to induce you to "come back for more."

For that reason alone, if for no other, the merchants whose advertisements you see in this paper are anxious to please you . . . to treat you fairly ... to make each purchase satisfactory to you.

In that fact lies the secret of one of the great truths in modern merchandising and marketing:

Advertised goods are dependable goods!
