ECONOMY RUN

MERCURY

SURPRISING EVERYBODY

The hundreds of people who saw the Economy Run Mercury 8 at Madison yesterday expressed real surprise at its official mileage records. In the first 1302 miles of the run, this stock Mercury has averaged 21.37 miles to the gallon of gas! That sort of economy in a car as big as the Mercury is almost unheard of.

TEST PROVES OWNERS RIGHT

One of the reasons for the success of the Mercury has been the word-of-mouth praise of its owners. "Big-car performance, sixe, comfort, driving ease," they said, "PLUS ECONOMY we didn't expect in such a big car!"...."20 miles per gallon!" The Economy Run provés their statements.

Have you given the new Mercury 8 a personal check-up? Name the time and the place-and we'll put a car at your disposal. Stop in or call us today and arrange for the drive of your
