(Lima News Bureau)

DELPHOS, April 19 - Van Wert-co commissioners were here Thursday and with Mayor W. D. Swihart inspected the flood conditions in south Delphos following this week's heavy rains.

The municipality had petitioned the commissioners to have a survey made and added a request that a new sewer be laid from Washington-tp, which is in Van Wrt-co, into the city, adequate to care for the needs of the property owners. It is believed that the commissioners will accede to the mayor's request and that work on the improvement will be started at an early date.

## LONDON CADGERS FIND WAR TALES PROFITABLE

LONDON, April 19 - (UP) -Aliens in the United Kingdom have found a new war racket. Organized gangs of refugee beggars, sheltering behind tales of Nazi persecution, are becoming a menace to office and flat dwellers in London.

The few oddments they carry

for sale make them immune from the law, as they cannot be charged with begging, and to all who will listen they tell harrowing tales of starvation and brutality.
