Report Of Department Store Sales Provides Encouragement

LIMA STOCKS Westinghouse Elec, and Mfg. open 112%; high 112%; low 112% last 112%.

NEW YORK, April 27-(AP)-Early prices in today's stock market were slightly uneven.

Market encouragement was pro vided by the federal reserve summary disclosing the country's department store sales, for the week ended April 20, topped the like period last year by 7 per cent. It was the best year-to-year comparison since the week of March 23.

Notice was taken of the department of commerce estimate that merchandise exports in March exceeded the same month a year ago by 31 per cent and the comparable 1938 period by 27 per cent.
