FOR A MORE RESTFUL NIGHT

There's nothing so delightfully restful as to let your head sink into a soft, fresh, sterilized pillow, cleaned by our wonderful new MUROZA method.

In MUROZA the pillow feathers are not washed. They are removed from the ticking and beautifully fluffed by filtered, fresh air and gentle, purifying steam. The ticking is thoroughly washed, sterilized and carefully ironed, before the clean feathers are returned to it.

Never do your pillow feathers come in contact with feathers from any other person's pillow. All your own feathers are returned to you, only yours, in a softer, fuller, fluffier, sterile-clean pillow that will make your sleep more wholesome, more healthful, more invigorating.

Be convinced by sending several of your pillows to be MUROZA cleaned. Ask our routeman about MUROZA or just phone Badger 4000.

Prompt Payment of Bills Prevents "Q. C."

*"Q. C." - Questionable Credit - is caused by laxity in paying bills. Avoid it!

Paying bills is a matter of promptness—and understanding—just as much as it is of honesty. For most people are honest, but many are careless.

They neglect payment of their bills and unwittingly build a reputation for questionable credit.

Safeguard your credit—pay all bills promptly or as agreed.
