"Swiss Family Robinson" To Open Sigma Run Wednesday

Sextet Of Brilliant Players In Cast Of New Hit; "The Saint's Double Trouble" Second Film On Bill

A sextet of brilliant players, Thomas Mitchell, Edna Best, Freddie Bartholomew, Terry Kilburn, Tim Holt and Baby Bobby Quillan, play the featured roles in "Swiss Family Robinson," opening Wednesday at the Sigma theatre. Also on the program is "The Saint's Double Trouble," another

of the adventures of the popular character, with George Sanders and Helene Whitney in the featured roles.

The motion picture version of the celebrated John Steinbeck novel, "Grapes of Wrath," is the current Lyric attraction. With an all-star east including Henry Fonda, Jane Darwell, John Carradine and Charley Grapewin, the story realistically reveals the plight of the dust bowl victims, the "Okies."

A stirring and memorable romance of a young couple who know how to hold them happiness, is brilliantly told in "Primrose Path," at the Ohio theatre, with Ginger Rogers and Joel McCrea starred. Others in the east include Marjoric Rambeau, Queeme Vassar, Henry Travers, Miles Mander and little Joan Carroll.

The popular color cartoon, "Gulliver's Travels." heads the State double attraction, with the famous sailor's adventures in the land of the Lalliputians entertainingly told: m song and story. Also showing is "The Big Guy," starring Victor McLaglen and Jackie Cooper in the story of a dilemma that a prison warden finds himself when he learns of a prisoner's innocence which he can prove only at a loss to himself.

Telling in absorbing fashion its romantic tale of two young people who fall in love without understanding its power, "Primease Path" co-stars Ginger Rogers and Joel McCrea in what is said to be one of the year's most dynamic and realistic dramas at the Ohio The picture has its locale in a lit-

tle California scacoast town where McCrea runs a hamburger stand near the canneries and Ginger is the older daughter of a completely disreputable family, The pair falls in love almost on

first sight and Guiger marries him, hoping he will never find out what her family is like. But inevitably he does find out, and in disgust tells Ginger he never wants to see her again. The stirring results, influenced by family dissension and jealousy and the stubhorn pride of both the young principals make for the compelling As the friendless little outeast, inger has by far the most powerful role of her career. It is a role speed with humor and swift repartee, giving her unlimited opportunity to display her histriome talents. McCrea's part also is ideal for the rugged young star, and the pair is supported by a notable hand-picked cast of favorites.

Marjorie Rambeau and Miles Mander enact the roles of Ginger's parents, with Henry Travers as McCrea's kindly grandfather, and Queenie Vassar, noted musical omedy star of the nineties, makng her scieen debut as Ginger's waspish grandmother. Little Joan Carroll, Vivienne Osborne and Carmen Morales have other important

Reicheldercast headed by such convincing fer. players as Thomas Mitchell, Edna Best, Freddie Bartholomew, Terry Kilburn, Tim Holt and Baby Bobby Quillan. The picture is scheduled at the Sigma. The adventure takes place dur-

ing the Napoleonic era when all Europe was harassed by war and uncertainty. Robinson, a wealthy Swiss watchmaker in London, sees his four children growing up to become uscless faddists and in desperation he sells everything he owns and sets out with his rebelious family to begin a new life in distant Australia. In the South Seas a storm

wrecks their vessel. Only the Rominsons survive. When the waves subside they build a raft, ferry themselves and some livestock, tools and clothing to a near-by island, a tropical paradise alive with gay colored birds and strange animals.
