Ohio Northern Loses To Ashland By 5 To 1 Count

ADA, May 11-Whatever hopes the Ohio Northern Polar Bears had for capturing conference honors went skittering away yesterday as latid they went down in defeat before the Ashland Eagles 5 to 1 at Taft field. Jim Armstrong who started for the Bears was taken out of the game for the third straight time due to wildness. In the first half of the seventh

inning the Eagles were ahead 3 to 1 and Ross, lead-off man had singled. Clark forced him out at second, but then Virgil Scobey, tall first baseman for the Ashlanders hammered out a terrific homer to center field, the first scored this season either by Northern or their opponents, and the lead was upped another two runs for comfort. Resick poked out a Texas league single and the next two men were easy outs.

Northern's lone tally came in the second frame after Harry Tissari struck out. Keel singled to left struck out. Keel singled to left and stole second. Merlin Scharer singled to bring in Keel from second base for what looked like the start of a big inning. A wild pitch put Thompson on first and advanced Scharer but Jim Armstrong fanned and Petach grounded out to retire the side.

Harry Tissari doubled, Brown rounding third, but coming back when he became confused. Both men died on base as Keel whiffed. * ABRHPOAE
