SIGMA

Humphrey Bogart is the last thing you'd ever expect to find in Hollywood, a contented actor. Humphrey is perfectly satisfied with his villainous screen life and clinches with the leading woman in those final moments of the fade out. He explained why in the course of a gab-fest on the set of "It All Came True," the film showing at the Sigma.

"There has to be a villain for every hero and I'm perfectly happy to be the one the audiences hiss, he assures. "Besides there's more latitude in such parts and they're family, E. North-st, entertained a lot of fun to play. Another thing, I don't have to be always worrying about camera angles. All of the villain's lines are plot lines, and it's pretty tough to cut them out of the picture and leave the story so that it makes sense. On the other hand the leading man is in a had spot. He plays a love scene with the leading woman and you know very well the director. the cameraman and the editor are hard guy roles as long as they
