Sage of Arkansas To Play Title Role In "Alias The Deacon;" Artie Shaw Signed By Burns And Allen

Bob Burns is starting his vacation from his own radio program by making an appearance on the Radio Theatre on Monday in a part tailored to his talents. He'll take the title-role in "Alias the Deacon" when Cecil B. DeMille presents it over WABC at 8:00 P. M.

Artie Shaw, the bandleader who disbanded his orchestra last spring and quit radio in a huff, has been signed by

## "Judge Hardy And Son" Will Open Tuesday At The Lyric

Second Feature To Be "Henry Goes To Arizona;" Latest Dr. Kildare Film On Sigma's Screen

Latest of the Hardy family series, "Judge Hardy and Son," is scheduled to commence Tuesday at the Lyric theatre, with Lewis Stone and Mickey Rooney in the title roles. Also commencing Tuesday is "Henry Goes to Ari-

zona." Being shown for the last times Monday is "Riders of the Black River" and

'The Witness Vanishes." The romance behind the walls of a great hospital and dramatic moments of a life and death struggle mingle in the Sigma feature, "Dr. Kildare's Strange Case." With Lew Ayres and Lionel Barrymore again in their familiar roles as the impetuous young intern, Dr. James Kildare, and the eminent diagnostician, Dr. Leonard Gillespie, the story revolves about a supposed incurable psychiatric case.

Hailed as a hectic, hilarious story of a young medico who hates career women and a young author who writes books in praise of spinsterhood, "The Doctor Takes a Wife," now at the Quilna theatre, stars Loretta Young and Ray Milland. Also in the cast are Reginald Gardiner, Gail Patrick

and Edmund Gwenn. Spooks to the left of them, spooks to the right of them, Paullette Goddard and Bob Hope, go after ghosts with gags in one of the merriest mystery stories of the season at the Ohio theatre. It's the "Ghost Breakers," now at the Ohio theatre, and boasts a east including Richard Carlson, An-

thony Quinn, and Willie Best. Two ace radio entertamers get together for the first time in the State feature, "The Road to Singpore," when Bob Hope and Bing Crosby combine their talents in a tropical comedy. Dorothy Lamoui provides the 10mantic interest. a new high in audience laughter, Wallace Beery, John Howard and the Quilna theatre's newest com-Dolores Del Rio are the stars of the co-feature, "The Man From all of them delightful.

QUILNA Infectious laughter is the delightful product of the contagious comedy to be found in "The Doctor Takes a Wife," hectic hilarious, happy new hit at the Quilna theatre. With Loretta Young appearing in her first all-comedy role—and appearing to greater advantage than ever before -with Ray Milland as her dashing costar, and a splendid supporting cast which includes Reginald Gardiner, Gail Patrick, Edmund Gween and George's Metaxa, "The Doctor Takes a Wife" is a sure cure for the blues!

Miss Young's metamorphosis from ravishingly radiant leading lady to riotously unrestained comedienne is a spectacular highlight in a spectacularly hectic hit. As a young author who writes books in praise of spinsterhood, Miss Young brings to the screen an entirely new conception of herself, as an actress, and of career women in general. And fun-packed fireworks result when America's favorite spinster suddenly "marries" a young doctor to whom all women are poison, with the fond exception of his own fiancee! Milland, as the young doctor, is forced by circumstances to bill and
