## New Cohan Patriotic Song Will Be Introduced Friday

Famous Actor Will Do "This Is Our Side Of The Ocean" During Broadcast At 7 P. M.

Frank Black, general music director of NBC, has made a special arrangement of "This Is Our Side of the Ocean" by George M. Cohan, the most prolific writer of patriotic songs the country has known and the grand old man of the theatre, who will introduce it to radio himself when he guest stars on Black's Friday night concert program over

### FLASHES OF LIFE

(By The Annociated Press) NEW YORK-A man collapsed

on a park bench. "What's your name?" asked a fellow bench-sitter.

"It will be in the papers tomorow morning," said the man, and

The only clue to his identity was a laundry ticket, whose issuer could not recall the victim's name.

PITTSBURGII - As head of the Pittsburgh Railway Co.'s lost and found department, William Barbin has returned countless lost articles.

DALLAS, Tex. - An 18-year old groom who told police that his 14-year-old bride ran away asked them to recover the wedding and engagement rings which had not been paid for. The practical police not only told him the rings were the property of the bride, but advised him further that he had better keep up the payments.

WINFIELD, Kas. - Pedestrians noticed a woman slumped over the wheel of a car halted at a downtown intersection. Finally someone called a policeman.

The officer watched for some time, saw no movement, walked over and tapped the woman's shoulder.

She straightened with a start. "Just waiting for the red light to change," she explained.

# HELP TO HEALTH! Nation Needs More Vitamins

Note the benefits of delicious orange juice

Government nutritionists say: Fully half our families get too few vitamins and minerals to enjoy the best of health! So make it your family rule to have eight-ounce glasses of fresh orange juice daily.

In this delicious way you get all the vitamin C you normally need each day. Fresh orange juice is not only your best everyday source of vitamin C, but also supplies vitamins A, B<sub>I</sub> and G, and the minerals calcium, phosphorus and iron.

This summer the wonderfully juicy California oranges are plentiful in all sizes. Those stamped "Sunkist" on the skin are Best for Juice and Every use: Order several dozen today. Let health begin at break-Copyright, 1940, California Fruit Growers Exchange
