for more than one hundred dollars in cash prizes on each program and the leading CBS station an-

nouncer of the community will do

a "guest turn" for an evening.

From time to time, it is expected that city officials and their wives. as well as parents of famous people, will appear. "La Navidad de Los Nines", a song laden with nostagilic memories of childhood Christmases in Spain, will be given its first pub-

lic performance during the "Melody in the Night" broadcast over WJZ Saturday at 9:30. Inspired by recollections of visitations from the three wise kings (Spanish equivalent for Santa Claus), the song was composed by Victor Granados, son of the distinguished Spanish composer, and

set to words by Tana, Spanish-

Tana will sing the number dur-

ing her appearance on the weekly No-Words-All-Music program, directed by Paul Laval. A program of old favorites dressed in modern settings, including "Pagan Love Song," "O Susanna," "Shadrack" and "The Very Thought of You," will be offered by Laval and the orchestra. As a tribute to school teachers and a reminder that school days

once more are with us, Pat Bar-

Miller, school marm from down
