founded, and movie-goers will be amazed at the ease with which he FEDERAL MEN tears off a Rhumba. Curvaceous Betty Grable has

her most impressive role to date in "Down Argentine Way." Paradoxical tho it may sound. Betty had to leave Hollywood to be "discovered." About a year ago, she believed she had reached the end of her screen career, which had

begun when she was 14. An offer for a personal appearance tour proved to be the turning point, for when she was in San Francisco a photographer caught her at her most appealing and the picture broke in many papers. A studio official was so impressed with her photogenic qualities he term contract. After signing, Betty appeared in Buddy De-Sylva's Broadway hit "DuBarry Was a Lady," and her dancing and singing stopped the show. After eight months she was recalled to appear alongside of Ameche and Carmen Miranda in "Down Argentine Way."
