

Unknown Actress Will Play On Radio Show With Power

Some Cincinnati Girl To Get "Break;" Young Jersey City Tenor To Make Debut With Al Pearce

An unknown actress will step into the role of Tyrone Power's leading lady on the Kate Smith broadcast from Cincinnati over WABC Friday at 8 p. m. Power will be heard in a radio version of his latest motion picture, "The Mark of Zorro," which will have its world premiere in Cincinnati, the star's home town, that night.

Instead of having his screen leading lady, Linda Darnell, with him at the microphone, Power will present instead, a young actress from Cincinnati, selected by open auditions.

Tony Roberts, 20-year-old tenor from Jersey City, who was discovered as he sang in a theatre's community sing, will be the young guest to make his coast-to-coast debut with Al Pearce and his Gang on WABC Friday at 7:30 p. m.

No less than 10 major colleges in the east will get a musical salute from Frank Black on his Friday night concert program over WEAF Friday. Following Grantland Rice's chat about football, Black will conduct a special medley including "Boola Boola," "Maine Stein Song," "Down the Cayuga's Waters," "Down the Field," "Old Nassau," "Harvard Field," "Grim Grey Palisades," "Rambling Wreck," "On Brave Old Army Team" and "Anchors Aweigh."

Contraalto Edna Odell will be the guest on "Alec Tompkinson Time"

ONE DIES, TWO INJURED WHEN TRAIN HITS CAR

(Lima News Bureau) FINDLAY, Nov. 1.—Mr. and Mrs. Gordon Pace of Lovell, Wyan-dot-co, are in the Findlay hospital today from injuries received Thursday afternoon when their auto struck a train near Carey. Mrs. Pace's half-sister, Miss Juanita Fletcher, 18, also of Lovell, was killed in the crash.

State highway patrolmen reported Pace, 34, has a fractured collar bone and bruises while his wife has back injuries. Miss Fletcher died from a broken neck, fractured skull and other injuries. Authorities said the fatal auto was on the tracks when the Big Four passenger train struck it. Pace said he did not see the engine until he was on the tracks. Miss Fletcher's body was thrown clear of the wreckage.

SHE NOTICED A DIFFERENCE

when she used Pillsbury's Best...
Maybe you will, too!

"I Found Pillsbury's Best Gives Me White, Light Baking," says Mrs. H. Kraschewski of Milwaukee

"I learned this: Pillsbury's Best has a whiteness and lightness that's reflected in the things I make—especially rolls. They're white and light and tender—no more heaviness or 'grayness'!"
"Also, with Pillsbury's Best my cakes are fluffy and moist—never dry or hard. After seeing the improvement it made in my baking, I know Pillsbury's Best is best!"

LOOK! VALUABLE PREMIUMS Extra Value for Pillsbury Users

Women's fine silk hose, silverware, watches, coffee makers, cast aluminum ware, and a host of other fine items of merchandise are yours in exchange for Pillsbury's BEST XXXX Flour. These items are packed in every bag of Pillsbury's Best and also come with other Pillsbury products. For FREE booklet, "Pillsbury's THIRTY STAR Premiums," write to Pillsbury Flour Mills Company, Dept. 108, Minneapolis, Minnesota.

Just WHY does flour make such a difference?
For example, why does one cake come out coarse and uneven in texture, heavy, dry, and "unbaked" looking—and another come out light, even textured, and temptingly golden-brown?
You'd understand if you could see what happens when we test wheat—how one wheat may make much better flour than another. We pay thousands of dollars extra every year for the finest wheats for Pillsbury's Best—then we blend them carefully, mill them, and test the milling every hour, to make sure you get the finest flour for everything you bake.

LOUIS CALM AS HARLEMITE BOO

He was up there to urge the election of Wendell L. Willkie. Police estimated 3,500 to 4,000 Negroes jammed into a ballroom to hear him and that 3,000 to 4,000 waited outside.

Before departing for Buffalo to continue his tour in behalf of Willkie, Louis acknowledged that he was growing a mustache—had been growing it for two weeks. "I call it my political mustache," he said. He plans to remove it on election day "no matter who is elected."

Louis' campaign itinerary includes Buffalo and Cleveland to-day, and Dayton, Cincinnati and Indianapolis tomorrow.

Hats now are being made commercially from a wool-like substance manufactured from the casein of milk.

HOUSEWIVES SURPRISED AT THE SUPER DELICIOUS FLAVOR

... OF NEW WHITE BREAD THAT CONTAINS RICH Heart of the Wheat

You, too, will be surprised at this new white bread's marvelous flavor! For it has the same wonderful goodness as the rich, wheaty-tasting bread grandmother used to bake. Made possible because it's baked from a new WHITE flour—which, like grandmother's flour—contains the HEART (or EMBRYO) of the wheat—the part that has the richest flavor.

The wheat HEART also contains essential, life-giving Vitamins B₁ and B₂ (G). These aid digestion, stimulate the appetite, promote general health. Ask for a loaf of this new bread today!
