RECEPTION FOR DIPLOMATS TO BE CALLED OFF

WASHINGTON, Nov. 8 — (AP) — Mrs. Franklin D. Roosevelt said today the traditional diplomatic reception would not be held at the White House this year "because of war conditions in Europe and the feeling that it might be embarrassing for members of the diplomatic corps."

No diplomatic dinner was held last year, and Mrs. Roosevelt said this function again would be omitted this year.

At her first press conference since President Roosevelt's reelection, the first lady also said that because "Warm Springs, Ga., is too far away," the President and she would not go there for Thanksgiving as has been their custom. Instead, she said, they would be here at the White House or at Hyde Park, N. Y.

Who Says You Can't Get Suds In This Hard Water!

Believe it or not, VEL makes the biggest suds you ever got in this hard water! An amazing new kind of suds that won't streak dishes with Hard-Water Scum!

"TAKES THE CURSE OUT OF DISHWASHING," women exclaim, as VEL gives them more suds, 5 times more than any soap, cup for cup, in hardest water!

WOW! WHAT A SPARKLE on those dishes, silverware and glasses, because, for all its mountains of suds, VEL won't make one speck of hard-water scum to streak shiny things.

YOU SAVE BIG MONEY, TOO, because it takes only 1/2 as much VEL to do the job as soap-flakes. That's worth while!

WHAT A BREAK FOR YOUR HANDS, lady, when you wash dishes with VEL, because VEL contains no horrid alkali to irritate your skin.

VEL is a Neutral Hydrophilic Detergent. Made by the Colgate-Palmolive-Peet Co.

WITH VEL. THE HARDER THE WATER. THE BIGGER THE SUDS!
