Election District Bill Faces Change

THE WISCONSIN STATE JOURNAL

A bill which would force towns and cities to divide their election districts so each district is a size permissable under state statutes may be amended to exclude cities, it was indicated at a hearing before the assembly elections committee Tuesday.

The bill now forces towns and cities of election districts with more than 500 electors to divide the districts. If divided in two, no district would contain more than 60 per cent of the lectors; if dividelectors nor less than 20 per cent.

(D., Salem), who introduced the measure, said he would accept an amendment suggested by Philip Owens, representing the Wisconsin League of Municipalities, which would exempt cities from the redistricting plan.

Seibert said the bill had been or such other place as she or he aimed primarily at townships may occupy as a temporary or which have too many electors and permanent residence. where voters had to wait in line for many hours. Most city wards or voting precincts have more than the 500 electors allowed un- round in order that he be allowed der state law, but there is little congestion in city voting places and no need for more polling places, Owens said.

Bacon Called Source of GOP Call

By WINTER EVERETT Just what will happen at the Republican state central committee meeting at the Hotel Loraine this afternoon could not be predicted when the session opened. Indications were that the at-

tendance will not be large. A. W. Prehn. Wausaau, and a few other committeman opposed to Chairman F. L. Gullickson are here, but a count just before the committee met did not indicate a quorum for the meeting. Later arrivals may give the necessary majority of the members for a quor-Dr. Gullickson received a belated notice of the session, but will not attend the meeting.

It leaked out from talk with members that the plans of the meeting originated with the national committeeman, Edward Bacon. When it was announced it was to be held, a number of leading Republicans advised the session be called off, and it was supposed that notices would be sent out announcing the meeting would be postponed. These notices were not sent out, however. Robert Bassett, Green Bay, one of the members of the committee friendly to Dr. Gullickson, is in the city but said he would not attend the meeting until late in the session, if at all.

The avowed reason for calling the meeting was for the passage of a resolution calling upon Dr. Gullickson to state why he had not made any answer to a resolution passed by the committee at a former meeting calling upon him to resign as chairman of the state central committee.

tenance crew near the scene, and all were treated for minor cuts, bruises, and shock. Cause of the explosion was not determined.

For That Income Tax Headache:

EDITOR'S NOTE-Following is another of a series of 31 articles on "Your Federal Income Tax," written by or based upon material received from the United States bureau of internal revenue.

WHAT IS A "FAMILY"? "In one household" is a phrase which confronts many taxpayers when they come to make out their income-tax returns. What do the ed in three no district would con-tain more than 40 per cent of the sify as the head of a family one who actually supports and main-Assemblyman Matt G. Selbert tains "in one household" a certain number of dependents?

Income tax regulations are not straight and narrow in interpreting this phrase. It may mean the taxpayer's personal residence, an apartment, rooms in a boarding house, living quarters in a hotel,

It is not always necessary that a taxpayer and his dependents live under one roof the whole year

WHO MUST FILE A RETURN?

WHO MUST FILE A RETURNY Every single person having a gross income of \$800 or more; every married person, not living with husband or wife, and having a gross income of \$800 or more; and married persons living with husband or wife, who have an aggressle gross income of \$2,000 or more.

WHEN MUST RETURNS BE FILED? For the calendar year, on or before March 15, 1941. For the fiscal year, on or before the listh day of the third month following the close of the fiscal year.

WHERE AND WITH WHOM MUST INCOME TAX RETURNS BE FILED? In the Internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

HOW DORS ONE MAKE OUT HIS INCOME TAX RETURN? By following the detailed instructions given on Forms 1040-A and 1040, the income tax blanks.

WHAT IS THE TAX RATE! A normal tax of 4 per cent on the amount of the net income, arrived at by deducting legal exemptions and credits from the gress income; a surfax on the surfax net income in excess of \$4,000; and a defense tax of 10 per cent of the combinad normal tax and surfax.

It may be unavoidable for a parent to keep his depen-dent children with relatives. or in a boarding house, while he lives elsewhere—that con-stitutes "one household." But a person who, without necessity, gives the dependent of another a home, is not, under the income tax regulations, the head of a family. 4 9 0

Another term that may be, in some cases, confusing or perplexing to many taxpayers is "living together," in the case of a husband and wife, Again the income-tax regulations are liberal in interpreting a phrase which, precisely defined, might do an injustice to a taxpayer. When a Common home is maintained, and it becomes necessary for the hus- NOW!—TOP TWIN SHOW! band to be away on business occasionally and temporarily, or the wife is absent on a visit, the \$2,000 exemption still applies. The relation is not changed, neither is the exemption forfeited, if either husband or wife is unavoidably confined in a sanatorium.
