McQuillan Gets Starks' WPA Job

MILWAUKEE — (U.P.) — John R. McQuillan, Antigo, Monday was named manager of the Milwaukee Work Projects Administration district to succeed Sanford P. Starks, who was dismissed last January with two other executives.

The appointment was announced at Madison by Mark Muth, state WPA administrator.

was to take over his post June 5. He had returned to private business in April, 1940, after serving for seven years as state manager of the Home Owners Loan corp.

result of a federal investiga-tion into charges that employment on WPA projects in the district was dominated by lo-cal 113 of the American Federation of Labor Common La-borers and Hod Carriers union. Also dismissed at the same time were Don Uthus, district director of operations, and F. Joseph Piziali, assistant director of operations and member of local 113. The three were dismissed as a disciplinary measure without being held culpuble of any formal charges of misdealing.

R. C. Karrmann, deputy state administrator, has been serving preside. the district as director pending choice of a successor to Starks. The HOLC made loans totaling \$115,000,000 to 33,000 Wisconsin distra sed home owners during McQuillan's term as state manager of that organization. Wickard will establish a quota for each farm. Marketings in excess of that quota will be subject to a federal penalty of 15 cents a bushel. For growers who planted within their 1941 AAA screnge allotment the quota will be the total amount of wheat grown. Quotas will not apply to farmers having less than 15 acres in wheat or producing fewer than 200 bushels.
