Tired Kidneys Often Bring **Sleepless Nights**

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help topurify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent many people have to get up nights. Frequent or scanty passages with anarting and burning sometimes shows there is something wrong with your kidness or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatio pains, leg pains, loss of pep and energy, avelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
