

# Glenn Miller Broadcasts To Be Dedicated To U. S. Forces

### Army Training Centers To Receive Musical Tribute; Dr. George V. Denny, Jr., On "Information Please" Hour

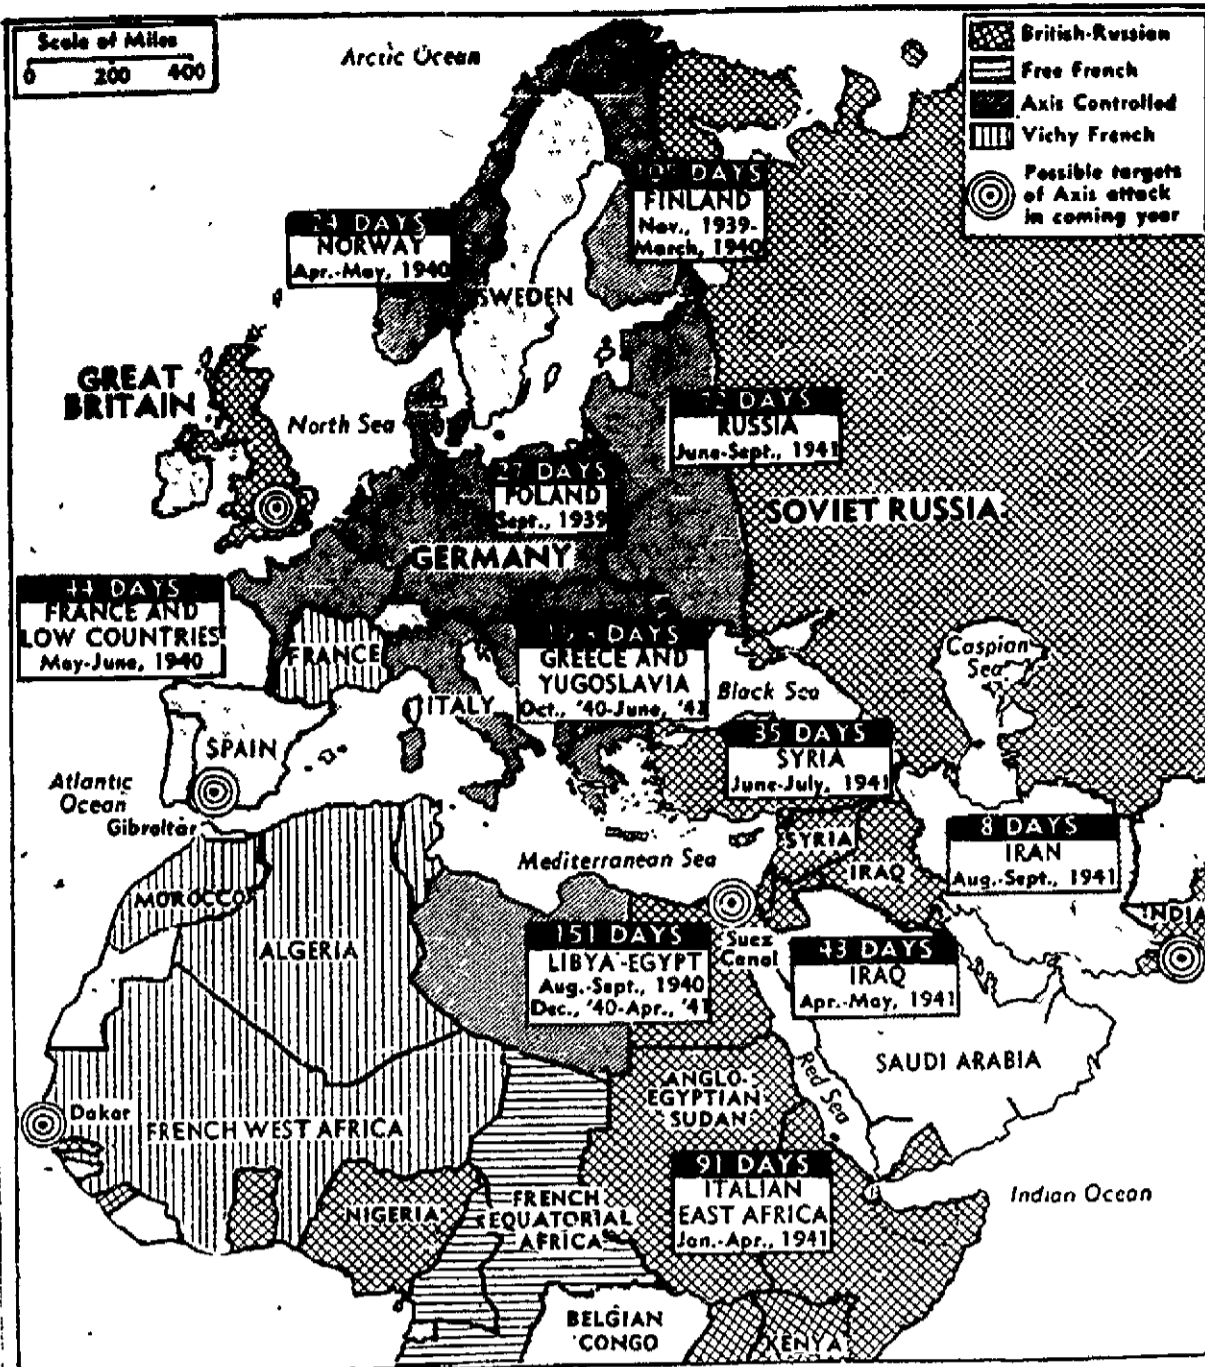

The inimitable music of Glenn Miller, his acrobatic trombone and his famous orchestra will run riot in a "Sunset Serenade" each Saturday over WJZ from 4 to 5 p. m. in a new series dedicated to the nation's selective service men and their army camps, beginning Saturday.

With the cooperation of the United Service Organizations, the new Glenn Miller program will each week present an album of 50 top-ranking records to five different army camps.

The new program, officially titled "Glenn Miller's Sunset Serenade," will be dedicated to and fashioned for the men in the army camps. But another army—the nation's collegiate jittersbugs, the singing and jive addicts and the millions who are captivated by the swaying harmony of Glenn and his players will be no less

## TWO YEARS OF WAR - 528 DAYS OF BATTLE

The war of three continents has raged for two full years, but of the 731 days of conflict, only 528 have been spent in actual battle on land. While the war in the air and at sea has gone on continuously since Sept. 1, 1939, the conflict in Europe, Africa and Asia has divided itself into the several campaigns shown on map. Altho the 198-day Yugoslavia-Greece campaign, including Crete, seems the longest, it includes only 55 days of Nazi action, leaving Russia the record for longest resistance to German blitz.

(Special To The Lima News)  
ELIDA, Aug. 23—Six new teachers will be included on the faculty of Elida school when classes commence Tuesday, according to an announcement by C. R. Swank, superintendent.

New high school teachers will be Johnny Cindric, member of the Lima Parks baseball team, who will teach commercial courses and coach the basketball and baseball teams; Paul Pomaric, physical education and science instructor and varsity football coach; and Ella Jean Radley, vocational home economics teacher.

Cindric, who was injured in an automobile accident recently, will be unable to conduct classes for at least a month. Swank said, and his place will be taken temporarily by Miss Gladwyn Watkins Bowers.

Last year's high school teachers who return for the new term include Howard Leis, principal; Edna Beuhler, Clifford Diversele,
