Again

Gilder-Throckmorton ... sleeve, he of the great gusty laugh, is the central character in the new series known as "The Great Gildersleeve". Heard over WIBA each Sunday at 4:30 p. m., "Throcky's" show lifts him from the "Fib-ber McGee and Mollie" spot and the famous "Now look here, McGee", but the gigantic guffaw goes along in his travelling-bag. Harold Peary, creator of the role, continues to play it in the new series.
